Dear Parents,

### Election of Parent Governors

We are very much in need of Governors to support our schools in moving forward; we currently have a vacancy for a parent governor.

Governors are responsible for supporting the school through strategic planning. They help to appoint our staff and to build good relationships between the school, parents and our local community. Our parent governors are very valuable members of the governing body and we rely on them to help us to keep in touch with what parents are thinking. They are on the governing body as representative parents, but they are not delegates and other parents cannot mandate them on how they should vote.

Governors do not need to be experts to tackle the range of responsibilities expected of them. Help, advice and training are available from various sources. If you are interested in the education of your child and the way the school makes decisions and have some time to commit to this role we would like you to consider becoming a parent governor. If you would like more information please contact the school and we can put you in touch with a member of our governing body for an informal chat.

Anyone who has parental responsibility for a pupil on the school roll at the time of the election can self-nominate, stand for election and can vote in the election. A parent who works for the school for 500 hours or more or a parent who is an elected member of the local authority (County Councillor) is not eligible to stand for election but they are permitted to vote. If insufficient parents stand for election the governing body can appoint nominated parents to the governing body. The term of office for a parent governor is 4 years.

All nominations should be sent in to the school office by Friday 16<sup>th</sup> March. We also need a few words about the candidate and why they would like to be a governor. If you would like extra copies of the nomination form please contact the school office.

On Tuesday 27<sup>th</sup> March we will inform parents about the details of parent governor nominations. If an election is necessary we will send ballot forms home with the children with the names of the candidates and their details. Each parent will have 1 vote as there is 1 vacancy.

A copy of the rules guiding the election of parent governors and further copies of the nomination form can be obtained from the school office. If you require a copy of this letter in a language other than English or in large print format please contact the school.

Yours sincerely
