		<p>Since taking on the role of headteacher in October 2017, I ensure that Governors have a full understanding of what is happening within the schools. I was previously part of the Governing Body as staff governor on behalf of Wormegay CofE Primary.</p> <p>I believe strongly that all children should achieve the best education that they can, and therefore advise and support the Governors in ensuring that the decisions they make will impact effectively on the children's learning. Ensuring that receive all the opportunities to support them in 'Learning together for Life'.</p> <p>Having relocated from Dorset in 2006, I live close to both schools within the Federation with my husband and two boys. The eldest has just transitioned to High School and the youngest is in Yr3.</p>

		<p>I joined Wormegay's Governing Body in 2001, as a co-opted governor. I became Chair of Governors in 2004, when my oldest joined the school in reception. When the schools Federated in 2012, I became Chair of Governors of the Federation, and continued in this role when the schools became DEMAT academies.</p> <p>I have lived in Wormegay for over 20 years, and all 3 of my children went to Wormegay primary before moving on to Downham Market High School/Academy. My oldest is now doing A-levels, and my youngest will do GCSEs this summer.</p> <p>I believe strongly in the benefits of local schools in the community – the strength of the relationships both between the children and with staff, the ability to understand each individual's needs and tailor the teaching for them.</p>

<b>Name:</b> Ellen Winters	<b>Governor Role:</b> Staff Governor	<b>Term of Office:</b> 28/01/16 to 27/01/20
<b>Declaration of business interests:</b> <i>None</i>		
		<p>I am the staff representative on the governing body and currently in my second term. I joined the governing body to make a difference to the wider school and to celebrate the successes of our children. It is my belief that as a member of the governing body I can share my opinions, bringing a view of how strategic decisions will impact on the staff and school. It is my belief that by working together we can achieve our future goals and aspirations for the school and children who pass through our hands.</p> <p>I joined the school in 2015 and have enjoyed every minute of my time here. I have been made to feel like a member of the team and welcomed by staff and children alike, which has a family atmosphere, from my very first day. I thoroughly enjoy teaching and constantly look for that light bulb moment, which I have an impact on, when a child in your care gets it.</p>
