Holy Cross Federation Schools

Dear Parents,

As you are all aware, the school received a visit from Ofsted on Thursday 23rd and Friday 24th January. The inspection was carried out under the new Education Inspection Framework (September 2019).

Over the two days, two inspectors looked at every aspect of the school; this involved classroom visits, looking at books, listening to children read and discussing their learning, observing break/lunchtimes and holding interviews with staff, pupils, Governors, Senior Leaders, Subject leaders and the Trust.

Attached to this letter is the final report, I feel it is an accurate reflection of the school and where it is currently. The inspectors recognised that a number of improvements had been made since the previous inspection and the school is still on a journey to becoming a Good school. The school is at an early stage of implementing new changes to the curriculum and we were pleased to receive positive comments from the inspectors regarding this. The report recognises that staff are very committed to ensuring that the children receive education of a high quality, resulting in accelerated progress that maximises outcomes.

Adrian Ball, Chief Executive of DEMAT, says of the report "whilst disappointing that the quality of education continues to require improvement, it is pleasing to see that the high quality pastoral provision the school offers has been recognised. Mrs Zeil will continue the improvement journey of Wormegay through high quality teaching and a rich curriculum supported by her staff and colleagues from across the Trust."

I would like to take this opportunity to thank the staff, and particularly the pupils, for showing the fantastic caring, nurturing environment that is our school; and for sharing where we are on our journey. I would also like to thank those parents that took the opportunity to speak with the inspector or complete the online survey, sharing their thoughts about the school.

Kind Regards

Mrs E Zeil
