

Welcome Everyone to

'Friends of Wormegay School'

The purpose of our group is to engage everyone, parents, staff and the local community in Wormegay School.

Our aim is to raise money for our Village School, whilst providing some fun times for its students, their families, the staff members and the wider community.

As parents and staff members, you are automatically part of this group, so can become as involved as you wish to. We will involve you in ideas for events, and the decision making process on how the money we raise is spent.

We would love your ideas, feedback, and contribution to making some fun times ahead.
