

Dear Parents

In partnership with the West Norfolk School Sport Partnership, we would like to share with you an initiative that the Youth Sport Trust have launched.

We are currently not running after school clubs, and this is the situation across many schools therefore the Youth Sports Trust have launched an After School Club that children can access from home and participate in, this will be led by Athlete Mentors.

The link is:

The children can access this daily for 30mins from 5pm until 18th December, and then complete their log sheet to record their participation. Both Miss Thorne and I are keen to see the children getting involved in physical activity outside of school, particularly where we are not able to offer as much as we previously were.

If your children are able to get involved that would be great, please share any pictures, log sheets or encourage your children to share with Miss Thorne or I about what they are doing. I look forward to hearing from those of you who can get involved.

Best Wishes
