

DMA Academy

ATTENDANCE POLICY

Rationale

The Downham Market Academy Cluster is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all. We have developed this policy in order to give a consistent response to all students and families in our care.

We want to do our best for all our young people and believe that regular attendance at school is vital for children as it promotes good learning, positive attitudes and maintains continuity in their education and in their friendships. Students should be at school, on time, every day the school is open unless the reason is unavoidable. Permitting absence from school without a good reason is an offence by a parent.

We will endeavour to provide an environment where all pupils feel valued and welcome. For a child to reach their full educational achievement, a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

Attendance is subject to various Education laws and this policy is written to reflect these laws and the guidance produced by the Department for Education and Skills.

Each year the DMA Cluster schools and academies will examine their attendance figures and set attendance/absence targets. These will reflect both national and DMA schools attendance targets. The DMA Cluster schools will discuss their attendance figures and the success of this policy on an annual basis and will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that each school and academy will use to meet its attendance targets.

Procedures

Any student who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity [attendance out of school]. Only the Headteacher/Principal or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

The coding for any absences will be in accordance with the guidance provided by the Department of Education.

Lateness

The Downham Market Academy cluster of schools set their own registration times. Morning registration will take place at the start of school at ...am. The registers will remain open for ...minutes. Any child arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation such as delayed school transport. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered. Medical evidence may be requested to support the absence.

Students arriving after the start of school but before the end of the registration period will be treated for statistical purposes, as present, but will be coded as late before registers close.

First Day of Absence

On the first day of an absence, parents/carers should contact their child's primary or secondary school before the registration period closes. If no contact has been made, the schools will endeavour to contact parents/carers as quickly as possible during the school day and will transfer information to the registers, alerting the Headteacher/Principal or other key staff to any wellbeing issues.

If no contact is received from parents by the end of the morning of absence, we will phone or text them. We will continue to make daily contact until a response is received. We will also make general enquires during this time and try other contact numbers.

Ten Days' Absence

Any pupil who is absent without an explanation for ten consecutive days will be notified to the Local Authority, by submitting a referral to the Children's Services Attendance Staff for

the local area - This is a legal requirement. The academy will include details of the action that they have taken.

Absence notes

Notes of telephone calls received and written notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the child, that may require further investigation, then the notes may need to be retained for a longer period.

If there are attendance concerns about the child, then further medical evidence must be produced (eg doctor's note, prescription, medicine label). Headteacher/Principals retain the right to un-authorise absence without medical evidence.

Frequent Absence

It is the responsibility of all staff in each school to be aware of and bring attention to, any emerging attendance concerns. In cases where a pupil begins to develop a pattern of absences, the academy will try to resolve the problem as soon as possible.

We monitor attendance periodically. When a pupil's attendance falls lower than the national average or causing concern, their parents will be contacted by the academy. We will look for patterns and reasons for absence, making parents aware of the number of absences and the importance of attendance etc. Additional support may be available from outside agencies. In other cases the school will seek advice from the Attendance Improvement Officer (AIO).

Action may include the use of the Fast Track system and/or Fixed Penalty Notices.

Monitoring will continue and a Common Assessment Framework meeting could be considered.

Persistent Absence [PA]

All pupils whose attendance level falls below 95% will be subject to an action plan to support their return to full attendance. These action plans will be set up

by.....

The action plan will include engagement with all parties who can support the child's attendance.

Include details of systems such as Fast Track, Attendance Panels, CAF utilized by the school. PA is currently 85% therefore intervention should be happening before attendance falls to this level.

A Welcome Back

It is important that on return from an absence, all pupils are made to feel welcome. This should include ensuring that the pupil received help to catch up on missed work and updated on any information which has been passed to other children.

Promoting Attendance

The DMA cluster of schools work actively together to improve attendance in our area and give consistent messages about the importance of good attendance. Each school will use opportunities as they arise to remind parents/carers of their responsibility to ensure that their children receive education and will make clear the links between attendance and attainment. Information about attendance, our procedures and attendance rates are published in the School/Academy Prospectus.

The Home/School agreement mentions the importance of good attendance and the parents' responsibility.

Holidays in Term Time

Holidays during term time are not permitted. Parents will be reminded of the effect absence can have on a pupil's potential achievement. Absences in term time will only be authorised in exceptional circumstances and if attendance is above 95%, but parents must apply in advance for permission using the Trust request for leave of absence form.

In certain year groups, due to teacher and statutory assessments and controlled assignments, no absences will be authorised during certain periods, eg SATs and exam periods.

Categorisation of Absence

Any child who is on roll but not present in the school must be recorded within one of these categories.
