### Head's Message

Not long now until the end of this half term, it has been great to get to know more off you over the past weeks, thank you all for the continued support. I have received some parental questionnaires and was pleased to see so many positive comments about our school, I am looking carefully at the concerns raised by parents and will be addressing these where possible.

Attendance for last week across the school was **92.13%**. A small dip, due to illnesses. Our target for this half term is **98%**. Please could I take this opportunity to remind parents that family holiday should be taken during the school holidays.

Now the reception children have settled and are more familiar with their new setting, we will now be asking all children to line up on the playground at the start of the day. There is a member of staff on duty from 8.50am, at this point you can choose to stay with your children or go. Once lined up, children will be brought through the side gate by a member of staff at 9.00am. If you have any messages for staff or need to make an appointment, please come to the school office and speak to Mrs Fowl.

Autumn has arrived ☺. We do like the children to go out as much as possible. Please could a named pair of wellies be bought in for use on the field, and every child should have a coat in school each day.

### Parentview

We would like to advise you that you are able to give your views on the school to Ofsted via their parentview questionnaire, at any time – not just during inspections. We would encourage you to do this at: [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk), or please visit the schools website page which will directly take to this page via the Parents information section.
