Newsletter

Friday 1st December 2017

It certainly has been a busy couple of weeks – thank you to all that have supported the Friends, fundraising events. Both the Christmas Fair at Wormegay and the Bingo at Runcton Holme raised substantial amounts of money to support the development projects of the schools and help towards funding the Christmas trips. Pupils across both schools are well in to preparations for the different events that are planned, first of which are the Christingles – I hope to see many of you there to support this traditional family celebration of Advent. Please see the diary dates for the differing events over the next few weeks and continue to check book bags and letters. Runcton Holme have taken delivery of this year's Christmas tree - A BIG THANK YOU to Mr Stannard and the company MR SPARKLE for donating this to our school. Also THANK YOU to Mr Partridge and Mr Edwards for helping staff set up the staging ready for the play performances.

Wormegay has been involved in an OFSTED inspection across this week, thank you to all parents for their support whether through discussions with the inspector or by completing the online questionnaire. As with Runcton Holme's report, these remain confidential until the release of the final reports. Members of staff cannot divulge any information regarding the inspections. I will of course let everyone know once the final reports have been published.

A lot of our children have been out and about over the past few weeks, whether on the trip to the Anglo-Saxon Village or at the Cluster and Partnership sporting events. They have represented the school fantastically and I have seen lots of positive learning taking place in school as a result of the first hand experiences that have taken place. Please remember that these are showcased on our website in the News sections.

Thank you for your continued support and do not hesitate to come and see me should you need to.
Mrs Zeil
